

Ms. Corinne D'Ambrosio
AVS Southern California Chapter

Dear Corinne D'Ambrosio,

On behalf of the entire HyperXite team, we would like to thank you for your generous sponsorship. Our success would not have been possible without your guidance and support. We are proud to announce our Top 5 finish with an award in Pod Technical Excellence at Design Weekend Jan. 29-30 at Texas A&M. HyperXite was the highest ranked team using air-based levitation and the highest ranked California team.

Now the exciting part begins. Construction of the scale HX pod will be underway soon, and preparations for Competition Weekend are already in order. We will try to keep you updated as much as possible throughout this process with new information and exciting advancements as they occur. If there is anything we can do to help with marketing or if you would like to discuss your sponsorship just let us know.

Here's to the start of an exciting five months! Thank you again for your support. We will strive to maintain our success and live up to the achievements of Design Weekend.

Sincerely,

Team HyperXite
